The owner of a dog more than 5 months of age on January 1st of any year or 5 months of age within the license year, shall annually, or on or before the dog becomes 5 months of age, pay the dog license tax and obtain a license. Dog licenses are due by April 1st of each year. After that date, there will be a late fee of \$5.00 per dog, plus the cost of the license. The form above is really not necessary because all of this information should be on your rabies information sheet from your vet. There have been numerous requests for it.

Three things to remember:

1. Send or bring your rabies certificate.
2. \$3.00 for spayed/neutered -- \$8.00 if not.
3. A self-addressed stamped envelope for the return of the license (tag), and your rabies certificate.
